Sibling Discounts

For families with more than one student attending Green School English, additional sibling discounts apply. The oldest child pays full tuition. A 5% discount is given to the first sibling (when there are two children in the family); a 10% discount is given to the second sibling (when there are three children in the family); and a 25% discount is given to subsequent younger siblings. In order to receive the sibling discount, all students must be enrolled at Green School English for a period of at least one block.

- **Sibling discounts are only applicable to Tuition Fees.**

Refunds Policy

- Tuition Fees are not refundable.
- The school's budget is determined based on enrolment numbers at the start of the academic year and financial commitments are made to faculty, staff and facilities investments accordingly. Therefore, requests for pro-rated tuition charges or refunds as a result of illness, unexpected departures or extended holidays cannot be granted (refer to Withdrawal of Enrolled Students below).
- In the event that a student is required to leave for disciplinary reasons, Tuition Fees are forfeited.

Late Payments

- The Late Payment Fee is 3% per month and is applied to the total outstanding fee amounts from the payment deadline. Late payments will also result in the forfeiture of any applicable discounts.
 - Students may not start attendance of Green School English, if fees owing are not settled in advance. If paying by term, withholding of education will be applied if a family has fallen one month behind on payment obligations and no payment schedule has been entered into with the Finance Department, or any previously agreed payment schedule has not been followed.
-

Withdrawal of Enrolled Students

- To help the school manage the school budget and enrolments efficiently, parents must provide the Admissions Team with written notice of any withdrawal of enrolment, one term in advance of the date of withdrawal. The School is under no obligation to refund any fees
-

'Force Majeure'

Should the school be permanently closed down, the School will endeavour to reimburse any undelivered services in line with legal contractual precedence. This means prior to refunding any tuition fees we would fulfil our obligation to make payments to teachers and other parties that may take legal precedence over tuition fees. In this event we would also expect the fulfilment of these obligations would be completed over a 12 month period.
