Such requests are considered on a case by case basis and a pro-rata calculation will be used to determine tuition fees. Requests need to be communicated at least one month before the end of the original enrolment period.

Tuition fees are inclusive of all experiential learning trips and off-campus learning programs, as well as most learning resources.

Individual and Optional Costs

Other individual costs may include school lunches and access to the school bus service. Most after school activities are free of charge.

Sibling Discounts

For families with more than one student attending Green School English, additional sibling discounts apply. The oldest child pays full tuition. A 5% discount is given to the first sibling (when there are two children in the family); a 10% discount is given to the second sibling (when there are three children in the family); and a 25% discount is given to subsequent younger siblings. In order to receive the sibling discount, all students must be enrolled at Green School English for a period of at least one block.

- Sibling discounts are only applicable to Tuition Fees.

Refunds Policy

- Registration Fee and Tuition Fees are not refundable.
- The school's budget is determined based on enrolment numbers at the start of the academic year and financial commitments are made to faculty, staff and facilities investments accordingly. Therefore, requests for pro-rated tuition charges or refunds as a result of illness, unexpected departures or extended holidays cannot be granted (refer to Withdrawal of Enrolled Students below).
- In the event that a student is required to leave for disciplinary reasons, Tuition Fees are forfeited.

Late Payments

- The Late Payment Fee is 3% per month and is applied to the total outstanding fee amounts from the payment deadline. Late payments will also result in the forfeiture of any applicable discounts.
- Students may not start attendance of Green School English, if fees owing are not settled in advance. If paying by term, withholding of education will be applied if a family has fallen one month behind on payment obligations and no payment schedule has been entered into with the Finance Department, or any previously agreed payment schedule has not been followed.

‘Force Majeure’

Should the school be permanently closed down, the School will endeavour to reimburse any undelivered services in line with legal contractual precedence. This means prior to refunding any tuition fees we would fulfil our obligation to make payments to teachers and other parties that may take legal precedence over tuition fees. In this event we would also expect the fulfilment of these obligations would be completed over a 12 month period.

Covid-19 Update

Due to current COVID-19 restrictions and School protocols, some functions, activities and events may not be available or have been adjusted for the time being. The community is kept up-to-date on the situation via the Weekly Newsletter and the Parent Digital Hub. As needed the Green School Executive Committee (GSEC) and Learning Neighbourhood Heads will also send emails to the community. Please refer to these updates for information on the temporary arrangements for school drop-off and pick-up times and locations, COVID protocols for in-person learning and other important and practical information.

- All families, staff and teachers are required to comply with all School policies including COVID related policies, as a condition of enrollment and/or employment.
- **PLEASE NOTE: If you (parents, children and staff of our community) have entered Bali from abroad, you must self-isolate at home for a period of 14 days before returning to School.**
- It is an unusual time, but also a special time. Supporting each other and keeping our community values front-of-mind will serve us well as we get through this time, together.

Deferral

Due to the dynamic nature of the situation globally, some families may wish to take semester one out of the School and return in semester two. Any families considering this must contact our Admissions Team to provide this advice and access the details.

In the event that a family is unable to attend for their original enrolment period, the family may defer their enrolment to a later date. Two weeks notice must be given of any plan for deferral.

Discounts

A tuition discount will apply In the event that the in-person learning experience is suspended for a period of one week or more. In this circumstance a discount of 10% of tuition fees will apply and be held as credit for future learning or may be refunded on application.

During any such period, Green School English will be continuously delivered via an adapted distance learning program for the duration of the course.

Green School is under no obligation to provide refunds on tuition payments.
