#### \* Learning Support

The above Learning Support plans do not cover the cost of a full-time 1:1 classroom assistant or aide. In the event that a student is determined to require a full-time assistant or aide, neither Green School tuition nor the above plans will cover this cost. Students requiring a full-time aide will assume the full cost of this support, but will not be required to pay additional fees for Learning Support as described above. While the sourcing of a full-time assistant is the responsibility of the parent, Green School may provide support in this effort and ultimately reserves the right to approve the placement of the support personnel.

#### \*\* Middle School

Middle School Students (G6 to G8) attend two multiple-day field trips as a component of their experiential learning at Green School. These trips are facilitated by Odyssey Institute ([www.odysseyinstitute.com](http://www.odysseyinstitute.com)).

An additional charge of \$800USD/student will be added to middle school student tuition invoices to cover the fees for the Odyssey Institute field trips.

#### \*\*\* High School

Green School will be billing individually to cover the specific exams that each student chooses to take. The invoice will be sent in March, after a student's specific exams for that year are confirmed. The exams fees range from \$60 - \$160USD per exam. There is also a per-student school registration cost of \$150USD. The maximum for a student in a single year should be no more than \$550 USD.

Other fees for elective courses, specialist equipments, Field Trips are additional to this and will be communicated from time to time.

### DISCOUNT & REFUND POLICIES

#### Discounts

- A minimum enrollment commitment of one full year is required to be eligible for discounts below.
- Discounts only apply to Tuition Fees.
  - Students who have been enrolled at Green School from January 2011 or prior are eligible to receive a 6.5% discount on tuition.
  - For families with more than one student attending Green School, additional sibling discounts apply. The oldest child pays full tuition. A 5% discount is given to the first sibling (when there are two children in the family); a 10% discount is given to the second sibling (when there are three children in the family), and a 25% discount is given to subsequent

younger siblings. In order to receive the sibling discount all students must be enrolled at Green School for a period of at least one full year.

- If fees are paid in full by 1 May 2012 an additional 5% discount is offered.

#### Fees are non-refundable

- The school's budget is determined based on enrollment numbers at the start of the academic year. Financial commitments are thus made to faculty, staff and facilities investments. Therefore, requests for pro-rated tuition charges as a result of illness, unexpected departures, or extended holidays cannot be granted.
- Students enrolling after the commencement of a semester pay fees for the entire semester.
- In the event that a student is required to leave for disciplinary reasons, the semester fee is forfeited.
